

# Tool Donations for Vanuatu

23 March 2015

Shed members have unanimously agreed to donate boxes of hand tools, nails and screws to the Vanuatu cyclone victims.

Pictured is Bryan Anderson sorting suitable tools for donation. A total of four large boxes were assembled on Thursday for delivery to the Vanuatu Cyclone Relief collection point for transport.

There are plans to put more toolboxes together and members are encouraged to look through their own sheds for suitable hand tools. Please ensure donations are cleaned, in good condition and sharpened. No electric tools will be donated at the moment.

Garden tools are also welcomed. No junk please. Donations are being received at the shed on Monday, Tuesday, Thursday and Saturdays at the 38A William Street location. For additional information contact committee members:

President - Matthew Stevenson (0412 244 409)

Vice President - Wayne Hobdell (0423 238 658)

Secretary - Robert Jerome (0404 998 174)

Treasurer - Noel Steinke (0408 693 569)

Club Care Coordinator - Kerry Balcombe (0434 674 463)

## AHMS Hardware Donations

26 March 2015

Four crates full of hand tools, nails, screws and various fittings such as hinges and bolts were delivered by shed member Ben Warner to the Vanuatu cyclone relief centre at the Eagle Farm collection point for and further transport by the RAAF. Each crate was marked...from the guys at the Alex hills Men's Shed.

Further donations are being received at the shed on Monday, Tuesday, Thursday and Saturdays at the 38A William Street location. Garden tools are also welcomed. Check your shed and garage for items you no longer need and would be useful for repairs and rebuilding. No junk please.

More donations are urgently required. Clean out your shed and drop off at the AHMS anytime. This will be an ongoing project for the next few months.

The volunteers at the drop off were overjoyed to get such practical items and conveyed their thanks and requested more such donations.
